FREEDMEN'S BUREAU OFFICERS.—It now appears that the President has not ordered the arrest of all the officers of the Bureau engaged in farming, speculations, &c., but only those in the State of General Howard to cause the arrest of every officer of the Bureau in North Carolina who is engaged or pecuniarily interested in the cultivation of plantations, and Brigadier General W. E. Strong has been dispatched to execute the order. Judge Advocate General Holt has been instructed by the President to make out charges and specifications against these officers, with a view to their trial before a court martial. The Rev. Fitz, the "blood-hound of Zion," and autocrat of the Freedmen's village in North Carolina, is under arrest awaiting trial. On the showing of Generals Steedman and Fullerton he ought to be hanged. the dispute.

R. W. KING, Esq., Chairman Lenoir County Court, Kinston, N. C. DEAR SIR :- Yours of the 12th to the Attorney General is referred to me for answer, under the understanding that all questions relating to the Revenue shall be submitted first to this Department. The following opinion meets with the concurrence of the Attorney General:

You desire the proper construction of the act of 860-'61, 2nd Extra Session, Chap. 5, page 8, as amended by the act of 1862-'3, chap. 18, page 25, regulating the duty of the County Court in laying taxes for county and school purposes.

Clerks of the Court (i. e. under schedule C,) and under schedule B, and the clerk must send a copy of this very record to the Comptroller. The Sheriff must pay the moneys thus ascertained to the Public Treasurer; that is, the Sheriff pays all the taxes collected under schedules B and C to the State. He is nowhere ordered to pay any portion thereof to the county Trustee.

Again, by section 88 of the "Act for Collecting

Revenue," if the Clerk fails to pay over the taxes received by him, (mentioned in schedule C.) suit is to be brought and it is expressly provided that 'the whole recovery shall be paid to the Treasury." And, in sction 87, all the taxes received by the Clerk are to be paid to the Sheriff, and by him, as will appear, by subsequent sections, to the Public Treasury. So, in section 44, on or before the 1st day of July, the Clerk must deliver the Sheriff a copy of

the tax list, containing the public tax and the taxes imposed by the County Court. There is no other provision for informing the Sheriff of the amount of any other County taxes, than are imwith the Constitution of the State and the United States," and "compatible with allegiance of the states, and the United tended to be allowed, it seems certain some procitizens of this State to the United States," and vision would have been made for notification to
